LIONS SIGHT FOUNDATION OF MISSISSIPPI, INC

The Lions Sight Foundation is the fundraising arm for statewide projects of the Lions of Mississippi. These projects include: Lions Deaf Camp, Sea & Sun Camp for visually impaired youth, Lions All-State Band, Boys & Girls Leadership programs, and sight saving services.

The Foundation is supported through contributions to assure the continuation of the vital work started. There are several ways to contribute to the work of the Lions Sight Foundation:

1. Have a club-sponsored White Cane fundraising project. These projects account for the Foundation's main support. Please try to send your contribution as early in the year as possible. These programs need funds throughout the year.
2. Avery McKinley Awards are a way for individual Lions to support the Foundation with a \$25 contribution. Each \$25 donor receives a current Avery McKinley pin.
3. Lights for Sight. A club or individual can honor or memorialize someone by purchasing a light for \$25 on the Foundation's Christmas tree in the State Office.
4. Memorial donations. Honor a deceased club member, friend or someone special by sending a memorial contribution to the State Office. An acknowledgement will be sent to the honoree's family.
5. The 20 Guns in 20 Days Raffle supports the Foundation by raising money for an endowment fund to give additional support to the Lions Sight Foundation (LSF). Please remember this does not take the place of your White Cane project.
6. The Circle of Champions is a program designed to recognize and show appreciation for various levels of giving to the Lions Sight Foundation. This program recognized contributions made by individuals and clubs, above and beyond their annual contribution to White Cane. Contributions made to the Circle of Champions are cumulative and can be made over a period of time. Levels of recognition are:
Bronze: \$1,500, Silver: \$2,500, Gold: \$5,000, Platinum: \$25,000
7. Give to the Foundation through Planned Giving. This campaign is designed to enhance and grow the Foundation's endowment fund. For more information, contact the Lions State Office.

Remember: the Lions Sight Foundation is a 501(C)3 making personal contributions tax deductible.

HEARING & DEAF PROGRAM GUIDELINES

Service for Adults

Starkey Cares, Neighbors in Need, is a program that provides hearing aids at no cost to patients.*

*(*If the patient qualifies for an aid, there is a \$300 application fee.)*

- Applicants should go to Starkey.com/starkeycares or call 855-686-2202 to find a Starkey Cares partner near them.
- They will then make an appointment to test their hearing & talk through their options for hearing health.
- If the Starkey Cares partner thinks the applicant might qualify for Neighbors in Need, they will complete a Neighbors in Need application.
- After qualifying, the applicant pays a \$300 application fee. This is where the local Lions Club can help. Your club may choose to pay all or a portion of the application fee for the applicant.
- The Starkey Cares partner will complete the order and fit the individual for their aids.

A table that outlines the income limits for participation in this program is on the Starkeycares website.

SEA AND SUN CAMP

A FUN CAMP for BLIND and VISUALLY IMPAIRED YOUTH

The camp, for children ages 5-15 years old, is held on the Mississippi Gulf Coast. Brochures are sent to the Special Education Directors of each school district in Mississippi and the Mobile, AL, area, the Mississippi School for the Blind and the Mobile Regional Center for the Deaf and Blind. Lions Clubs across the state are asked to search out those youth that would benefit from this camp. Every camper is required to fill out an application, complete with medical history and prescription form. There is no fee charged to the campers.

The staff for the camp includes a visual impairment consultant, volunteers from Mississippi and Alabama Lions Clubs, members of the local community and nurses from local hospitals and health departments. Lions are encouraged to participate in the camp as counselors, cooks, drivers, escorts, medical and cleanup. Any Lion that wishes to participate in the camp is welcome and encouraged. All volunteers must agree to a waiver of liability and successfully pass a background screening for the protection of our children.

All activities are modified to meet their needs so each camper is allowed to be a child, as opposed to being a child with a handicap. Every child is able to participate in every activity.

Activities at previous camps have included a shrimp boat trip, a train ride / tour through the historic district of Biloxi, dance lessons, cookouts on the beach, archery, kayaking, sailing, two-seater bicycling, beep-ball, Sharkheads shopping, a non-denominational service on Sunday morning, a ferry ride and picnic to Ship Island, swimming, emergency training and an awards ceremony where each camper was recognized for his/her contribution to the camp.

For more information and photos of past camps, go to: seaandsuncamp.org
